Reimagining Education

Asia International School Limited (AISL), in partnership with Harrow International Schools Limited (HISL) in the UK, is dedicated to providing the highest standards of quality education, both in and out of the classroom. Our belief is that pupils be given every opportunity to flourish in all the different areas where their talents lie.

Introducing Excellence

About AISL Group

AISL is a leading provider of education in Asia. The AISL Harrow family of schools comprises AISL Harrow International Schools, AISL Harrow LiDe Schools, AISL Harrow Hong Kong Children School, and AISL Harrow Little Lions Early Years Centres. Each school proudly draws on the 450-year heritage of Harrow School in the UK, embracing the Harrow Values of Courage, Honour, Humility, and Fellowship.

We are committed to the highest standards of education for all pupils, delivering **Educational Excellence for Life and Leadership**.

This is a promise and pledge that we have adhered to for the past three decades since the first AISL Harrow School was established in Bangkok in 1998. As the Group continues to grow and develop, by 2026, there will be approximately 10,000 pupils aged 3-18 in 15 AISL Harrow Schools at 13 locations in China, Hong Kong SAR, Japan and Thailand.

Vision & Mission

Preparing for the Future, Prepared for Life

At AISL Group, we embrace the responsibility of shaping innovative and exceptional educational experiences. Through progressive teaching methodologies, distinctive curricula tailored to each type of school, and initiatives such as our proprietary teacher training programme, we have positioned ourselves at the forefront of educational excellence.

We are committed to:

Pursuing Excellence

Unleashing Potential

Inspiring Greatness

Fostering Innovation

From the small seed of a mission to bring world-class international education to Asia, we have grown into a thriving family spanning the region. What began with a single school has flourished into a network of AISL Harrow Schools, each deeply rooted in our core values and commitment to educational excellence. Over the years, we have extended our reach to new cities, making a lasting difference in the lives of countless pupils and their communities.

Milestones

“AISL has flourished and expanded within the dynamic landscape of education, consistently transforming opportunities into achievements. Like a mighty tree, we have established deep roots of commitment within each pupil, extended branches of innovation in pedagogies and learning experience, and nurtured thousands of future global citizens who contribute with confidence and purpose.”

We deeply appreciate our invaluable partnerships with governments, local corporations, parents, and community partners, whose collaboration has been instrumental in our shared success. As we continue to grow, we remain passionately inspired and profoundly optimistic about the future of AISL Harrow education, dedicated to empowering generations for excellence.”

- Graduate of Arts of Central Saint Martins, University of the Arts London, UK

Our Educational Offering

AISL
HARROW
INTERNATIONAL
SCHOOLS
哈罗国际学校

AISL Harrow International Schools ("HIS") are world-leading international schools that provide an education founded on the National Curriculum for England, Wales and Northern Ireland.

Pupils follow a pathway culminating in the study of IGCSE and A Level qualifications, both internationally recognised and accepted by all the universities worldwide. Building on this strong foundation, some schools, such as Harrow Shanghai, provide some pupils with access to AP courses, enabling further personalisation of pathways towards higher education.

Academic excellence lies at the heart of an AISL Harrow education. Some of our Harrow International Schools are consistently ranked within the top 1% globally for IGCSE and A Level outcomes. This outstanding performance continues to open doors to the world's most prestigious universities, including Oxbridge and the Ivy League.

AISL
HARROW
LiDe
SCHOOLS
哈罗礼德学校

AISL Harrow LiDe Schools (“HLD”) are thoughtfully designed for Chinese pupils aged 6 to 15, offering a rigorous and internationally oriented education. Pupils engage in an education founded on China’s nine-year compulsory National Curriculum, complemented by pedagogical approaches synonymous with Harrow School, leading to internationally recognised IGCSE and A Level programmes. This provides a strong academic foundation and clear progression towards the world’s most prestigious universities.

HLD is an ideal choice for Chinese enterprise families seeking an education that enables children to remain deeply grounded in Chinese culture and identity, while developing the international understanding, academic capability, and global perspective needed to thrive in higher education and business environments both in China and worldwide.

The educational philosophy of HLD empowers pupils across four key dimensions:

- (A) Academic Excellence – achieving excellence in international examinations and developing the competitiveness required for entry to leading global universities;
- (B) Bilingualism – attaining high levels of proficiency in both English and Chinese;
- (C) Culture – developing a strong sense of Chinese identity alongside an understanding of diverse cultures; and
- (D) Development – growing into well-rounded learners, individuals, and global citizens.

Building on the outstanding results of its first IGCSE cohort, Harrow LiDe Schools are establishing a leading position within China’s bilingual education sector. This provides a strong academic foundation and clear progression to the world’s most prestigious universities, including Oxbridge and the Ivy League.

AISL
HARROW
HONG KONG CHILDREN
SCHOOL
哈罗港人子弟学校

AISL Harrow Hong Kong Children School (“HHKCS”) offers an AISL Harrow education to families with connections to Hong Kong and the Greater Bay Area, integrating Harrow’s educational philosophy with the Hong Kong curriculum framework. The school provides flexible dual pathways to the Hong Kong Diploma of Secondary Education (HKDSE) or the IB Diploma Programme (IBDP), while cultivating pupils with exceptional biliteracy and trilingualism (English, Mandarin, and Cantonese).

Carrying forward the essence of a Harrow education, the School places strong emphasis on holistic development and personalised growth of each pupil. Through a rich and diverse curriculum, personalised pastoral care, and enriching boarding experiences, pupils develop strong academic foundations, embody the Harrow values, demonstrate sound character, and acquire the competencies required to thrive in life and leadership.

AISL Harrow Little Lions Early Years Centres (“HLL”) provide high-quality early years education for children aged 2 to 6. Strong provision at the earliest stages of a child’s educational journey is essential in establishing the essential learning disciplines, knowledge and skills that enable each child to thrive in their educational journey through school and realise their full potential.

The Little Lions Curriculum is specifically designed to ensure a smooth transition to HIS, HLD, or HHKCS, laying strong foundations for academic success and sustained development.

Our Partnership with Harrow School in the UK

The relationship between Harrow School in the UK (Harrow UK) and AISL Harrow Schools represents a genuine and purposeful collaboration, anchored in a shared commitment to excellence.

Harrow International Schools Limited (HISL) is the trading subsidiary of the charity that owns **Harrow School**, a full-boarding senior school for boys, and John Lyon School, a co-educational all-through day school. Both are located in the historic Harrow on the Hill in northwest London.

HISL oversees the global network of AISL Harrow Schools through its senior executive team and dedicated oversight teams of experienced educationalists. These teams conduct **Harrow Educational Oversight Visits (HEOVs)** twice a year to ensure each school upholds the Harrow name by meeting rigorous performance standards and compliance requirements.

Central to this process is a meticulously crafted set of **Harrow Standards**, defining HISL's expectations for the localised delivery of a world-class Harrow education. These 50 standards serve as a kite mark of quality and are grouped into five focus areas:

- **Leadership**
- **Operations**
- **Education**
- **Harrow Identity**
- **People**

"This was another successful year in the partnership between Harrow International Schools Limited (HISL) and our founding partner, Asia International School Limited (AISL).

Further excellent collaborative work has been undertaken towards our shared primary objective of supporting the AISL Harrow Schools in their mission to deliver educational excellence. The regular dialogue between senior representatives from AISL and HISL about strategic, business development

and educational matters at a group level is rich, fruitful and indicative of the authentic relationship between our organisations.

The excellent work of both our Chief Education Officers means that HISL's oversight and AISL's quality assurance processes have been combined effectively. All AISL Harrow Schools, therefore, have a seamless experience, the outcomes of which feed into a constructive collaboration and support programme for the following year.

With the impactful work of their team at group headquarters, a Harrow education has an increasingly strong footprint in Asia. We remain immensely grateful to Mr Daniel Chiu and Dr Rosanna Wong for their personal commitment to excellence in the AISL Harrow Schools, and for the strategic direction and partnering they provide."

MR M L MROWIEC

CHAIRMAN, HARROW INTERNATIONAL SCHOOLS LIMITED

The AISL Group Executive Committee members regularly meet with the HISL representatives and Harrow Governors to exchange insights on the global education landscape, fostering a culture of continuous improvement and excellence.

First Row (from left to right):

Mrs Jane Gould; Mr Edward Gould, Former Chairman of the Board of Governors of AISL Harrow Hong Kong, and Governor of AISL Harrow Bangkok, Beijing and Shanghai; Dr Rosanna Wong, DBE, JP, Chairman of AISL Group; Mr Daniel Chiu, Founder of AISL Group; Mr Peter Siddons, Former Chairman of the Board of Governors of Harrow School in the UK & Mrs Moira Siddons.

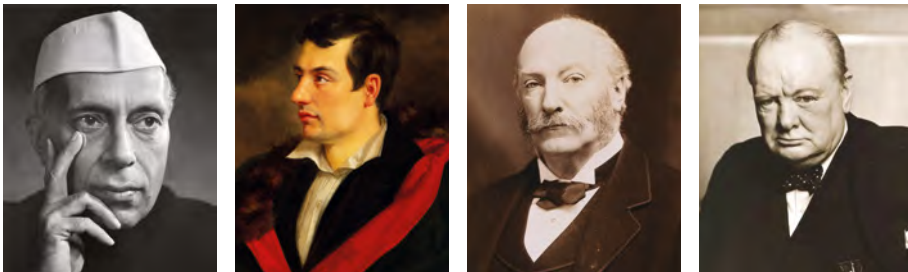

Second Row (from left to right):

450 Years of Harrow History

Founded in 1572 under a royal charter from Queen Elizabeth I, Harrow School in the UK stands as one of Britain's most prestigious schools. Renowned for its commitment to academic excellence, strong House System, and its emphasis on holistic education, Harrow has long set the benchmark for world-class schooling.

Over the centuries, Harrow has nurtured some of the most influential figures in global history. Its distinguished alumni include the literary icon Lord Byron, former British Prime Minister Sir Winston Churchill, India's first Prime Minister Jawaharlal Nehru, King Hussein of Jordan, Nobel Laureate Lord Rayleigh, and many other trailblazers in the arts, sciences, and public service.

Values-Based Education

We strive to create lasting impact by preparing children from diverse backgrounds and abilities for lives enriched by learning, leadership, service, and personal fulfilment. Guided by Harrow's time-honoured values, we deliver an education that seamlessly blends tradition with innovation, empowering pupils to thrive in an ever-evolving world.

At the core of everything we do are the Harrow Values of **Courage, Honour, Humility, and Fellowship**. These core values shape our decisions, inspire our actions, and drive us to strive higher—both as individuals and as a community.

AISL Harrow International School and LiDe School

Beijing

AISL Harrow Beijing, the first Harrow International School in China, brings one of the world's most esteemed British education brands to the region, setting a benchmark for academic excellence, holistic development, and innovation.

Top Academic Destination in the Capital

Recognised as one of China's leading international schools, Harrow Beijing is renowned for academic excellence. Pupils consistently achieve top A Level results, gain offers from Oxbridge, G5, and Ivy League universities, and earn prestigious scholarships, alongside outstanding IELTS (avg. 7.5) and TOEFL scores.

Premier Hub for Holistic Education

As China's largest LAMDA teaching and examination centre, the school offers courses in public speaking, acting, musical theatre, and verse & prose, empowering pupils to communicate with confidence and creativity. Sport is equally integral — from the Harrow Ducker to House matches and community leagues — fostering teamwork, resilience, and a strong sense of wellbeing.

Strong Alumni Community

The school's alumni continue to thrive, taking on influential roles on the global stage. They uphold Harrow's legacy while making a meaningful impact on society through their contributions and leadership.

AISL Harrow International School Shanghai

AISL Harrow Shanghai is recognised as the top British school in Eastern China and beyond. Ranked among the top 10 international schools in China for innovation and education excellence, the school is committed to providing unparalleled support for both pupils and parents. In 2025, 46% of pupils progressed to the world's top 10 universities.

► Unique Education Pathways

The school is the first in the region to offer both British (IGCSE/A Level) and American (AP/SAT) curricula, enhancing pupils' global competitiveness and university prospects. With a proven record of excellence, pupils consistently achieve top marks and secure admission to Oxbridge and leading universities around the world.

► Tailored Excellence: Personalised Learning and Support

With a high teacher-pupil ratio, the school offers levelled group teaching in Maths, English, and Chinese. This approach ensures focused attention for each pupil, delivering high-quality personalised academic guidance, career planning, and university application support.

► A Warm and Supportive Harrow Community

Round-the-clock communication ensures that parents receive timely updates and can connect effortlessly with the school, fostering a strong bond between the school and families.

AISL Harrow International School

Guangzhou

Opening in September 2026, Harrow Guangzhou's flagship campus will offer a 15-year British curriculum, integrating digital literacy, innovation, and entrepreneurship to nurture global STEAM talents.

► Future Ready: Cultivating the Leaders of Tomorrow

An education that integrates accelerated English, advanced STEM, an AI-driven FutureLab, creative arts and global competition opportunities. This seamless British educational pathway (EY-Year 13) is designed to cultivate innovative, internationally minded individuals.

► AISL FutureLab: Forging Competitiveness for Decade Ahead

The flagship FutureLab integrates AI, CAD, robotics, and drone technology, offering hands-on experiences that foster innovation and entrepreneurial creativity.

► AISL Entrepreneurial Centre: Nurturing a Growth Mindset

Leveraging the FutureLab for prototyping, pupils collaborate with local businesses, and engage in community projects, business plan competitions, and hackathons. These initiatives emphasise social responsibility, innovation and business acumen.

The AISL Experience:

Celebrating Community

AISL Harrow Diploma

AISL HARROW DIPLOMA

The AISL Harrow Diploma is a shared framework across the **AISL Harrow family of schools**, designed to structure, monitor, and celebrate the personal development of every pupil—from their very first day at school through to graduation. It provides a coherent and purposeful journey that recognises growth not only in academic achievement, but also in character, values, and life skills.

Through the Diploma, pupils are encouraged to explore, reflect, and grow with intention, developing a broad set of transferable values and skills that prepare them for life beyond the classroom.

The programme nurtures balanced, well-rounded individuals equipped to make positive contributions to their communities and the wider world. The AISL Harrow Diploma empowers pupils across six key domains:

A Harrow education has always been grounded in the belief that true excellence lies in the holistic development of young people. The AISL Harrow Diploma reinforces this tradition by embedding Harrow's culture of personal growth and encouraging pupils to live out the Harrow values in meaningful and practical ways. It nurtures resilience, creativity, innovation, and leadership, while recognising and celebrating achievements that extend far beyond examination results.

From an early age, pupils build a purposeful personal portfolio that supports self-awareness, confidence, and future success. By championing each child's individual journey, the AISL Harrow Diploma develops the character and competencies valued by leading universities and employers, preparing pupils not only for academic achievement, but for fulfilling and impactful lives.

The Power of the AISL Harrow Family of Schools: Inter-School Events

Inter-school events play a vital role in nurturing a strong sense of community both within each of our individual schools and across the entire AISL Harrow Family. We prioritise organising family-wide gatherings that unite pupils, parents, and educators from all campuses, celebrating diversity while cultivating a deeper appreciation of the unique strengths and perspectives each school brings to the AISL Group. The following is a snapshot of events organised across all AISL Harrow Schools.

Seal Conferment Ceremonies

The conferment of the prestigious Harrow Seal celebrates the enduring collaboration between Harrow School in the UK and AISL Harrow Schools, honouring our shared commitment to Holistic Education. Governors from Harrow School presented the seals in recognition of AISL Harrow Schools' exceptional achievements, highlighting their role in advancing the vision of "Educational Excellence for Life and Leadership" across Asia.

The commemorative seals, presented during the ceremonies, feature a replica of the wax seal from the original Royal Charter, mounted on a plaque engraved with names of prominent Old Harrovians. Inspired by the tradition of name carving in Harrow's Fourth Form Room, this serves as a timeless symbol, encouraging International Harrovians to follow in the footsteps of their distinguished predecessors.

AISL Harrow Games

The AISL Harrow Games, launched in 2024, is a flagship annual inter-school event that brings together hundreds of young athletes from AISL Harrow Schools across Asia. This three-day competition features athletics, football, and basketball, showcasing exceptional talent while embodying the Harrow Values of Courage, Fellowship, Honour, and Humility.

As an integral component of holistic education, the event fosters physical, mental, and intellectual growth, providing a global platform for pupils to excel. Hosting responsibilities rotate among schools, enabling International Harrovians to visit different campuses, reunite as one family, and forge lasting connections in a celebration of sportsmanship, unity, and shared values.

AISL Harrow HuaSheng Championship

The AISL Harrow HuaSheng Championship

is a prestigious inter-school event showcasing the exceptional debating skills of pupils from AISL Harrow Schools across Asia. Alongside rigorous debates that highlight critical thinking, communication, and intellectual excellence, the championship features a diverse range of language competitions, including public speaking, recitation, forums, and online writing challenges.

With thoughtfully chosen topics addressing pressing global issues, these experiences foster meaningful competition and equip pupils with essential skills, empowering them to excel academically and professionally.

AISL Harrow

Rowing Regatta

The AISL Harrow Rowing Regatta is a large-scale sporting event in the Greater Bay Area, celebrating the rich tradition of rowing while strengthening bonds within the AISL Harrow Family. Hosted by the AISL Group in 2024 and co-organised by Harrow LiDe School Hengqin, Vivere Sky Group, and Hengqin Tinmuk Rowing Club, this inaugural competition brought together over 500 athletes and 130 international teams. The event serves as a platform for youth development through partnerships with government bodies and organisations across the GBA.

Rowing holds a deep connection to Harrow's heritage. In 1829, two Old Harrovians founded rowing teams at Oxford and Cambridge, establishing the iconic Oxford-Cambridge Boat Race and shaping modern rowing competitions. Today, AISL Harrow Schools and Old Harrovians proudly carry this legacy forward with multiple rowing teams.

The event is centred on five key pillars: talent development, GBA integration, community engagement, international cooperation, and holistic education. The Regatta stands as a celebration of Harrow's tradition, fellowship, and the enduring bonds that unite the AISL Harrow Family worldwide.

International

A Cappella Festival

The International A Cappella Festival is a distinguished celebration of vocal artistry and collaboration, showcasing the power of music to unite communities.

In alignment with AISL's steadfast commitment to Holistic Education and our vision of establishing schools in the Greater Bay Area as hubs for nurturing musical talent, AISL was honoured to serve as the supporting organisation for the prestigious 'HSBC x HKFYG Vocal Vibrato @ Shenzhen' initiative. This exceptional event culminated in the 'Joyful Feast of the Voices,' a captivating a cappella concert hosted at Harrow International School Shenzhen Qianhai in March 2024.

The concert brought the art of a cappella to the forefront in the region, providing AISL Harrow pupils with a unique platform to perform alongside world-renowned, award-winning a cappella groups from the United Kingdom, Austria, Japan, and Hong Kong SAR. This memorable collaboration not only showcased the incredible talent of our pupils but also reinforced AISL Harrow's dedication to fostering creativity, cultural exchange, and artistic excellence.

AISL Commitment:

Social Responsibility and Strategic Partners

AISL | FOUNDATION

亚洲国际学校基金

AISL Foundation brings together the vision of Asia International School Limited (AISL), to serve as a platform of *Nurturing Talents for Good*, in preparing our pupils to be committed, responsible, and leading citizens of the future.

Formerly known as AISL Harrow Scholarship Limited, the Foundation was founded in 2021 to support exceptional pupils through scholarship grants. It has since evolved into a dynamic charitable organisation dedicated to unlocking the extraordinary potential of pupils worldwide through transformative scholarships that champion educational excellence. We aspire to nurture the diverse talents of our global pupil community. By uniting parents, alumni, and social partners, we seek to cultivate a vibrant network that empowers every pupil to grow, lead, and shape a brighter future for all.

The Foundation is a Hong Kong government-registered charitable arm of AISL.

AISL Scholarships and Awards

AISL Harrow Scholarships

AISL Harrow Scholarships aim to attract academically gifted pupils from around the world to access a distinctive AISL Harrow education, while pursuing the two-year Sixth Form programme.

Each AISL Harrow Scholar may receive up to full coverage of tuition and boarding fees. These scholarships are awarded by the AISL Foundation on the scholar's behalf to participating AISL Harrow School for the duration of the two-year course of study.

Since its inception in 2020, the AISL Harrow Scholarships have proudly supported 29 outstanding scholars, selected from a high-quality pool of applicants representing over 40 nationalities. The total value of scholarships awards exceeds HK\$21 million.

AISL Harrow Belt and Road Scholarships

The AISL Harrow Belt and Road Scholarships is a newly established programme designed to attract academically rigorous pupils from Belt and Road countries to pursue Sixth Form education at one of the AISL Harrow LiDe Schools.

These Scholarships are designed to foster academic excellence while strengthening intercultural exchange and understanding among countries within Belt and Road region. By providing talented individuals with opportunities to engage with local cultures, heritage, and contemporary society, the programme seeks to cultivate global citizens equipped with strong cross-cultural competencies.

AISL Talent Awards

The AISL Talent Awards, introduced in the 2025-2026 academic year, and hosted by AISL Harrow International School Hong Kong, in collaboration with the AISL Foundation, reflect our enduring belief that every pupil should have the opportunity to flourish in the areas aligned with their talents and passions. The Awards celebrate and advance exceptional talents of pupils. The scheme supports and nurtures pupils with outstanding abilities in four categories: Creative Arts, Music, Sports, and Digital Technology. It provides opportunities to perform and compete at elite levels in national and international competitions.

Pupils of AISL Harrow Hong Kong, together with talented pupils at other AISL Harrow Schools in Mainland China and across Asia will co-create a Talent Circle. The Awards support pupils in pursuing excellence in their chosen disciplines of talent through self-initiated development plans, targeting national, international and regional competitions and performances.

AISL Foundation

AISL Talent Stages

The continuous pursuit of excellence and the realisation of one's full potential form the cornerstone of talent development. This reflects the ethos upheld by all AISL Harrow Schools, as we believe that all-round education is something that can be gleaned through talent development.

To enable pupils and members of the school community to engage with leading voices, we curate a series of masterclasses across diverse disciplines, including the Education Dialogue sessions. The inaugural Education Dialogue in September 2025 featured Professor Larry Kramer, President and Vice-Chancellor of the London School of Economics and Political Science (LSE), and Professor Emma McCoy, Vice President and Pro-Vice-Chancellor (Education), explored advancements in artificial intelligence.

More Talent Stages are being organised to ignite passions and unlock potential across an even broader spectrum of interests.

AISL Centres of Excellence

Led by the AISL Foundation and based within AISL Harrow Schools, the AISL Centres of Excellence are dedicated to nurturing recognised strengths across our schools and ensuring they are future-ready. These centres are committed to advancing educational excellence and innovation.

In collaboration with world-renowned universities and institutions, the centres enhance pupil learning and development through initiatives, such as professional training for the AISL Group, certified programmes with leading global institutions, and practical, action-oriented research conducted alongside prestigious universities. This ensures our educational provision remains aligned with the highest standards of best practice.

Additionally, the Centres incubate social projects to serve neighbouring communities, enabling members of the school community to apply classroom knowledge in meaningful, real-world contexts.

Community Service

Building on the charitable and community service efforts of AISL Harrow Schools, beginning in the 2025–2026 academic year, AISL has designated March as AISL Service Month. During this month, each school may select a specific day to carry out community service activities of its choice.

This annual event provides a dedicated opportunity for our community to engage collectively in meaningful initiatives, and contribute positively to society.

We remain open to partnerships with the local governments and charitable organisations.

Networks of AISL International Old Harrovians

The AISL Foundation supports AISL Harrow Schools in communication, engagement and events involving AISL International Old Harrovian (AISL IOH). Whether alumni are continuing their studies in higher education or advancing along their professional journeys, we believe that each alumnus has valuable insights to contribute to current cohorts.

We warmly welcome our alumni to share their experiences and perspectives in support of the next generation of pupils. At the same time, we encourage their active engagement with their alma mater through fundraising, mentorship and the sharing of advice and professional expertise.

AISL Academy AISL Mall & AISL Outdoor

AISL believes that learning is for everyone, and it is only when we learn more, we matter more—as educators, parents, pupils, and citizens. Our purpose is to provide a wide range of opportunities across various platforms to enrich learning for all. As strategic partners and service providers of **AISL, AISL Academy, AISL Mall, and AISL Outdoor** (collectively known as the **3As**) seek to inspire minds, ignite imagination, foster creativity, drive innovation, enhance productivity, and cultivate a lifelong love of learning.

AISL Academy Learn More Matter More

AISL Academy is a global learning and professional development platform for educational specialists, providing access to the latest best practices of pedagogy, professional learning, and social development, within an international, interactive, and interconnected setting.

The Academy offers a portfolio of high-quality and, high-impact certified and accredited courses, dedicated panel discussions and shared learning events. These programmes are designed for educators, including international education professionals, and teachers within both international and bilingual K-12 settings.

AISL Mall

Learn More Choose Better

AISL Mall, a newly established online platform connecting educators, parents, and pupils with a comprehensive range of quality educational offerings and resources, is rapidly expanding its product catalogue, and enriching its website content, delivering exceptional value to its user and partner base. The platform operates as an affiliate marketing website, featuring the latest educational news and trends, alongside a trusted directory of recommended products.

AISL Outdoor

Learn More Experience More

Founded in 2023, AISL Outdoor is dedicated to providing high-quality, fully English immersive learning experiences — from summer and winter camps to year-round programmes — that take pupils beyond the classroom and into the world of experiential learning.

AISL Outdoor's programme network spans the United Kingdom, Japan, Thailand, Hong Kong, Beijing, Shanghai, Chongqing, Zhuhai, and Shenzhen, offering exceptional learning opportunities across Harrow campuses worldwide and selected partner locations around the globe.

Each year, AISL Outdoor delivers over 100 themed programmes for pupils aged 3 to 18, covering areas such as sports, communication, leadership, STEM, arts & music, and outdoor adventure.

It has become a trusted choice for families seeking meaningful educational experiences that integrate learning, personal growth, and global understanding. At AISL Outdoor, pupils not only experience authentic British education — they learn through exploration and grow through real-world experiences, developing the confidence, curiosity, and courage to thrive in life.

AISL:

Vision for the Future

Five Areas for Future Excellence

As AISL looks ahead, the Group stands ready to redefine education through a forward-looking vision that ensures sustainability for Educational Excellence for Life and Leadership.

1

Educational Excellence

AISL is shaping future leaders through world class, holistic and values-based education that builds character, critical thinking, creativity and global readiness. As the Group expands its international presence and diversifies academic pathways to include A Level, IB Diploma, AP and DSE programmes, it broadens pupils' access to leading universities and future global opportunities.

By integrating mental wellness, environmental responsibility, and community service in the core curriculum from early age, enriched with leadership opportunities and accelerated learning support, AISL nurtures pupils with the competencies, confidence, and character to lead and shape a sustainable future.

2

Empowering People and Developing Talent

AISL believes that its future is shaped by its people. Through purposeful professional development and strategic partnerships with leading universities and educational institutions, the Group cultivates leadership excellence and fosters a culture of continuous growth, collaboration, and innovation.

By expanding scholarship opportunities, AISL empowers talented pupils from diverse backgrounds to access a world-class education and flourish on the global stage. Parental engagement and lifelong learning are also strengthened, supporting families as active partners in every pupil's journey. Together, the AISL community nurtures the potential of each learner and celebrates the shared pursuit of excellence.

3

Governance and Organisational Excellence

Strong governance underpins AISL's sustainable growth and enduring success. The Group continues to strengthen transparency, accountability, performance, and compliance across the Group and its schools. Through systematic evaluation and continuous refinement of strategy, AISL advances educational quality and operational excellence. Guided by integrity and responsible leadership, the Group upholds governance excellence at its core, ensuring AISL's position as a trusted, forward thinking and world-class educational leader.

4

Financial Resilience and Strategic Growth

AISL upholds sound financial planning and disciplined investment to enable sustainable growth. Through effective resource allocation and financial risk management, the Group continues to act responsibly while also ensuring that every initiative strengthens the long-term stability and quality of AISL's educational provision.

5

Innovation and Digitalisation

Innovation is at the heart of AISL's vision for the future. The Group is transforming its campuses into smart, digital learning environments that foster AI-enhanced education and STEAM-driven exploration. Guided by a future-focused strategy, AISL is building dynamic ecosystems that inspire creativity, innovation, and entrepreneurship, empowering pupils to imagine possibilities, design solutions, and lead meaningful change.

Through a comprehensive and experiential learning journey, AISL harnesses cutting-edge technologies to cultivate pioneering thinkers equipped with the skills, curiosity, and mindset to thrive in an increasingly technology-driven world.

VALUES *of* LIFE

My school is dear to me, Always a guide for me,
I walk with thee, I walk with thee.

The path is set for me, The goal is clear to see.
I follow thee, I follow thee.

I seek a life with fellowship, A life with honour I shall keep.
And with boundless courage, I walk with humility.

Hold these values close to me in my life so others see.
Pathway to the truth I see,
I follow thee, I follow thee.

Your strength is with me, Your love is within me,
I walk with thee, I follow thee,
I walk with thee, I follow thee.

I seek a life with fellowship, A life with honour I shall keep.
And with boundless courage, I walk with humility.

Hold these values close to me in my life so others see.
Pathway to the truth I see, I follow thee,
I follow thee. Follow thee.
